Social Housing

(Also known as: Rent-Geared-to-Income or Subsidized Housing)

Social Housing refers to government-assisted subsidized housing for people with low to moderate incomes, seniors, or people with special needs who can live with supports in their community. [Rent-Geared-to-Income \(RGI\)](#) and **Rent Supplement** options are available through local Regional Managers to make rent affordable for households. In most cases, the rent for a subsidized unit is 30 per cent of a household's total monthly income. If you receive social assistance the rent is based on the rent benefit set by the Ontario government.

Applying for Social Housing

Applicants for social housing have a number of responsibilities:

- You are responsible to notify HATCH if any changes to your information in order to maintain your eligibility status.

To determine Eligibility, you must provide:

- Most recent Notice of Assessment (tax form from Canada Revenue Agency)
- Proof of status in Canada (birth certificate, immigration papers etc.)

You are responsible to:

- Advise HATCH of changes to address or phone number. Applications are cancelled if we can not reach you.
- Advise HATCH of any changes to family size. This includes the birth of a child or a spouse separation.
- Advise HATCH if you wish to make changes to your building selection.
- As of January 1, 2021, you must accept the first HATCH unit that is offered from the buildings you have selected to live in. If you do not accept your first offer of housing, you will be removed from the HATCH waitlist and you will need to re-apply with a new application date.
- If you have selected any buildings that you are not willing to move into if offered, please remove those buildings from your selections by emailing accesshalton@halton.ca

Please note: All communications with HATCH must be in writing.

Halton Subsidized housing frequently asked question can be found [here](#)

Subsidized Housing

Halton Access to Community Housing (HATCH) manages all applications for Rent Geared to Income (RGI) in Halton Region. All applications are added to the Centralized Wait List allowing applicants to apply for multiple housing locations and providers at one time.

Subsidized housing is rent-geared-to-income or RGI housing which is based on 30% of a household's gross monthly income or if the household is receiving assistance from Ontario Works or the Ontario Disability Support Program, a social assistance rent scale is applied. Additional charges may apply depending on the building (i.e. parking/ utilities).

Co-operative Housing

Housing co-operatives provide not-for-profit housing for their members. The members do not own equity in their housing. If they move, their home is returned to the co-op, to be offered to another individual or family who needs an affordable home.

Some co-op households pay a reduced monthly rent (housing charge) geared to their income. Government funds cover the difference between this payment and the co-op's full charge. Other households pay the full monthly charge based on cost. Because co-ops charge their members only enough to cover costs, repairs, and reserves, they can offer housing that is much more affordable than average market rent. Co-op housing also offers security. Co-ops are controlled by their members who have a vote in decisions about their housing. There is no outside landlord. Each housing co-operative is a legal association, incorporated as a co-operative.

For more information about Co-operative Housing, locating your local co-ops, and learning about the application process, you can visit [Co-operative Housing Federation of Canada](#) or [Peel/Halton Co-Operative Housing Federation](#)

Canada-Ontario Housing Benefit (COHB)

The Canada-Ontario Housing Benefit (COHB) provides a direct, monthly benefit to eligible households to help pay their rent.

The benefit payments are portable, which means you may receive the benefits even when you move to another address in a different city, town or region & based on the household's income and local market rent.

The benefits are administered by the province through the Ministry of Finance and eligibility is assessed annually. Annual renewal applications are issued from the Province each May and must be returned by September 1st.

Clients who do not return their annual renewal by the deadline will no longer be eligible to receive assistance through the COHB program. Reinstatement into the program is not permitted.

Following the annual review, the COHB amount may increase or decrease because of changes in residence, income and/or household size. The benefit amount is calculated according to the average local market rent of the area lived in.

Canada-Ontario Housing Benefit (COHB) continued...

- **Persons experiencing chronic homelessness, victims of abuse and households whose housing allowances that are ending have been identified as a priority group to receive this benefit.**

COHB applicants must reside permanently in Ontario and be on, or eligible to be on, the Community Housing Access Centre for Social Housing.

- **Program Guidelines**

The benefit amount will depend on the household size and income.

The amount is calculated using a formula that includes household income, the number of people in the household and the local market rents.

- **To receive the COHB, applicants must agree to be removed from the Centralized Waiting List for social housing.**

Households cannot receive COHB and Rent-Geared-to-Income (RGI) housing or any other form of housing benefit at the same time.

Market Rental Housing

In market rental housing, rent is usually set between 80% -100% of Average Market Rent AMR (as determined by Canada Mortgage and Housing Corporation (CMHC), based on unit size).

Affordable rental housing can be in privately owned buildings, non-profits or city owned housing.

You can often stay on the Rent-Geared-to-Income waiting list if you accept a unit through the Affordable Rental Housing Program.

<https://www.halton.ca/For-Residents/Housing-Supports-and-Services/Assisted-Housing>

Private Market Rental Housing

Market Rent is residential rent that is not classified as “subsidized rent” or “affordable rent” under any affordable housing program (you pay the amount advertised in the listing or advertisement).

2025/26 Average Market Rent (AMR)

Unit Size	Average Market Rent in Halton Region

Things to Consider Before Renting a Unit

[RETURN TO TABLE OF CONTENTS](#)

FOLLOW DIRECTIONS IN THE AD

Some landlords/property managers prefer calls, some use email or the messaging system through the ad site (such as Kijiji messaging). Many ads also ask very specific questions to assess applicants.

CALLING THE LANDLORD

Prepare your list of questions before you call and keep a pen and paper handy to write down the answers. There are probably others who are interested in the rental, remember to be polite and make a great first impression.

VIEWING THE RENTAL UNIT

Arrive on time and be well-groomed and well prepared. Introduce yourself and try to remain calm and confident. Have your references ready to provide to the landlord/property manager.

PREPARE YOUR DOCUMENTS

To support your rental application, landlords/property managers may ask to see your driver's license or other ID. They may ask where you work, and permission to run a credit check. There are rules about your [privacy](#) that must be respected.

APPLYING FOR THE RENTAL

Make sure you understand the application process, ask questions if something isn't clear. Fill in the application form (paper copy/online). Inquire about the deposit fees and next steps.

SIGNING THE LEASE

A successful applicant will be asked to sign a lease. Upon signing you will usually be required to pay last month's rent. Then first month's rent is due on the 1st day of the month you've rented the apartment for (make sure to get receipts).
